Pumpkin Cookies Recipe

(From the Food Network)

Ingredients for the cookies:

1-cup sugar
2 sticks of unsalted butter, softened
2 tablespoons Maple Syrup
2 eggs
1 cup canned pumpkin
1-½ teaspoons of ground cinnamon
½ teaspoon of ground all spice
¼ teaspoon freshly grated nutmeg
Pinch of ground cloves

2 ½ cups flour
2 teaspoon of baking powder
Pinch of salt
Ingredients for frosting:
2 (8oz) packages of cream cheese
1-cup confectioners sugar
¼ cup milk
1 tablespoon of vanilla extract
Zest of 1 lemon

For Garnish:
Whole Pecans (Optional)

Preheat oven to 350 degrees

Directions:

Cream the sugar and the butter with a mixer until light and fluffy. Add the maple syrup and the eggs. Mix to incorporate. Add the pumpkin and mix. Sift together the flour, baking powder, salt, cinnamon, nutmeg and cloves. Add the dry ingredients to the batter and mix well. Drop rounded tablespoonfuls onto ungreased cookie sheets. Bake for 10 minutes or until lightly golden around edges. Cool on racks. When cool, ice with the cream cheese frosting.

For the Frosting, with a mixer, blend cream cheese until light and fluffy. Beat in the powdered sugar until smooth. Add milk and vanilla. Beat until smooth. If frosting is too thick, thin with a little more milk. Fold in lemon zest. When cookies are cool spread with frosting. Garnish with Pecans.

The holidays are coming...I will try to post a recipe each week. Please feel free to email me with ideas or suggestions for the FH Newsletter.

Have a Great Week!
